Residencias Palma Real is an apartment complex with eight one-bedroom apartments. Four on the first floor and four on the ground floor. This is an interesting investment opportunity whereby the SPF, which owns the property, can also be taken over. The apartments on the ground floor have one spacious bedroom which is equipped with air conditioning. Through this bedroom you have access to the bathroom and the back terrace. The kitchen diner is at the front and is linked to the front terrace through a sliding door. In this way, the outside is involved with the inside. The kitchen has plenty of storage space, a 4-burner electric stove and a refrigerator. Because the apartments on the 1st floor do not have a terrace at the rear, all the space is available in the terrace at the front. This terrace is accessible through the sliding kitchen living room doors. The bedroom of the apartment on the 1st floor is slightly smaller than the one on the ground floor, so there is more space in the bathroom. The equipment of the kitchen is identical to the description of the kitchen in the apartments on the ground floor. The entire resor
