Listing ID: 000871828079

A wonderful opportunity for the competitive entry price of Naf 3500, -.The office space is 120 m2, unfurnished and it is the intention that the tenant refurbishes the inside; maintenance on the outside is provided by the landlord. Prices of commercial spaces are higher in this area compared to this office; if you own it for the long term you will benefit of its price unlike any other office in this prime location. There are also seven official parking spaces available; although it is also possible to park nearby in the neighborhood. There is a bakery next to the office and it is close to several restaurants. The office is equipped with a security- and alarm system and is in good condition. At the back of the office, there is a small studio, sleeping place available with a kitchen and garden. The price is exclusive of gas, water, electricity, internet, maintenance, and every other facet of an office. As indicated in the first paragraph, it is a wonderful opportunity to develop your own office space for the long term in a central top location.
