El Salvador - San Salvador

San Salvador

Listing ID: 00146162224

Land in the upper part of the San Salvador volcano, entering through the Escalon neighborhood. A land with a spectacular view for tourism development, you can build a hotel, restaurant or cabins. Also for event house or church or residential retreat house, according to established standards. The property already has direct access through the escalon and internal neighborhood to be able to walk through it and see the different terraces that the land has. The property has 45,937.02 yards, maintains its natural vegetation and has a small house to better appreciate the land and the views. Come to know this natural beauty and invest in a good piece of land with great added value.
