Antigua and Barbuda - Antigua and Barbuda

Antigua

Listing ID: 002512080019

A rare and exciting opportunity to own a property in one of the Caribbean's most anticipated luxury developments. Land plots on the Pearns Point peninsula extend along Antigua's western coast – a prime and unspoilt location with spectacular ocean views and unrivalled seclusion, featuring 130 acres with 7 white sand beaches. Developing an overseas luxury home in the tropics is a dream for many but, like anywhere, it can be challenging to manage a project remotely - As part of our Lot + Villa programme we develop your Villa using a choice of designs and a range of optional finishes already created by some of the best international architects along with our significant local experience and the best contractors who have an understanding of international service and quality levels. Pearns Point is a pristine paradise that pays the utmost respect to the island's native flora and fauna, where natural resources are to be utilized as much as possible: residencies will be built with locally sourced materials wherever possible and designed to blend seamlessly with the landscape; fruit and veg
