Welcome to Casa Primavera, a charming bed & breakfast that stands majestically in the heart of the exclusive Villa Eugenia Residential area! This two-level property spans across 753 square vars of land, with 421.55 square meters of construction. Upon entering this inviting space designed to offer an exceptional experience to its guests, Casa Primavera presents itself as a serene retreat composed of 8 beautifully decorated rooms. Among them, you'll find 3 single rooms, 3 doubles, and 2 multiples, all designed with spaciousness and flexibility in mind to provide comfort and privacy to its occupants. Each of these rooms features private bathrooms equipped with hot water, modern air conditioning, smart TVs, and a minibar to ensure a pleasant stay. The charm continues with a fully equipped kitchen available for guests keen on exploring their culinary skills, as well as two spacious living rooms ideal for relaxation or socializing. Additionally, an intimate dining area accommodating 6 people invites you to enjoy delicious meals in a warm and cozy atmosphere. Ascending to the second level, you'll be welcomed by t
