This spectacular farm located in Esquipulas del Norte, Olancho, is located on a land area of 420,000 M2, equivalent to 60.00 Manzanas, and presents a wide variety of attractions for agriculture and livestock. The farm has large areas of free land with a complete variety of benefits such as: area for livestock, 50% pastured, suitable for planting agriculture such as beans; It has fruit trees and native forest, which offer a beautiful walk through nature. There are several rough streets that run through the property and allow access to the different sectors. In addition, there is a mountain located in the eastern area of the farm, with beautiful views around. The land also includes large green areas for common use, as well as field areas for recreational activities. There is much to discover on this farm. All visitors will appreciate the multiple and diverse species of local flora and fauna, as well as the unique beauty of the estate. This farm provides its owners with the unique opportunity to have a large area of land while owning a highly sought-after land in the area. There is no doubt that this property
