Listing ID: 000101159121

A rare opportunity to acquire one of St. Croix's most established cabinetry, countertop, and custom millwork businesses. Armrey Industries, Inc., serving the U.S. Virgin Islands since 1961, has built a long-standing reputation for designing, fabricating, and installing custom cabinetry, countertops, and related millwork for residential, commercial, hospitality, government, healthcare, and institutional clients throughout the Virgin Islands and wider Caribbean. While best known for kitchens, bathrooms, cabinetry, and countertops, Armrey's capabilities extend well beyond traditional cabinet work. The business has produced custom tables, entertainment centers, closets, desks, built-ins, commercial fixtures, and other specialty millwork, and has previously performed Steelcase-related work.
