Costa Rica - Puntarenas

Drake

Listing ID: 400214098004

In one of the most coveted and pristine ecological regions of Costa Rica, this commercial property in Bahía Drake stands out as an extraordinary opportunity for investors seeking something truly unique, strategically located, and with exceptional appreciation potential. Situated on the legendary Osa Peninsula—recognized worldwide as one of the most biodiverse places on the planet—this property offers a privileged location, breathtaking natural surroundings, and the possibility of developing a world-class hospitality project. Just 200 meters from an almost untouched Pacific beach and close to the main access point to two of Costa Rica's most iconic natural destinations—the Corcovado National Park and the Caño Island Biological Reserve—this property is set within an environment few developments can match. Very few investment opportunities in Costa Rica offer this level of direct access to authentic, exclusive, and pristine nature experiences. Bahía Drake attracts a sophisticated audience seeking more than accommodation: they seek a deep connection with nature, absolute
