Costa Rica - Puntarenas

Quepos

Listing ID: 400352494137

This remarkable 13.5-hectare (33.4 Acres) property in the mountains of Costa Rica offers endless potential for development. Perfectly positioned between the world-renowned destinations of Manuel Antonio and Dominical, it's an ideal setting for an eco-lodge, boutique retreat, or private estate. The land features breathtaking ocean and mountain views, two captivating waterfalls, and several natural building pads ready for your vision. With easy access via a public road, available water and electricity, and the beach just a 20-minute drive away, this property combines natural beauty with convenience. A rare opportunity to create your own paradise in one of Costa Rica's most desirable regions.
